Speaker - Lauren Brown

Lauren was asked to be the director of women's ministries at Grace Community Church about a year and a half ago - overseeing all the bible studies, retreats and special events for the women at Grace, including the Spanish and Korean women's ministries. Another responsibility is to develop and maintain relationships with women leading their ministries at churches in the Southern California area.

Lauren and her husband have been members at Grace Community Church since 1982. In addition to working with women's ministries, she helps coordinate volunteers for Grace Church's annual Shepherds' Conference. "Spring Fling Seminar Workshop Choices"

"THE FRUIT OF THE SPIRIT:

WHAT HINDERS OUR JOY?* - Anne Walls

A look at the fruit of the Spirit and how God works those characteristics into our lives, and what hinders God's work. Two of the biggest hindrances to this joy are anger and unforgiveness. Is it possible to extend to those who have hurt me the same grace and forgiveness God extended to me? It is, and we must if we want to enjoy fully the presence of Christ in our lives.

"LOVING YOUR HUSBAND: HOPE AND HELP WITH INTIMACY AND COMMUNICATION"

- Rusty Neeley and Danelle Bancroft

From God's Word learn a few key ingredients to making a happy home. Through the Gospel we will find hope and provide you with practical applications.

"CREATING CONNECTIONS

WITH YOUR CHILDREN* - Fran Simmons

Help your children build a foundation for developing strong, lasting relationships. We will look at the safety structure of a Biblical home provides for creating trusting relationships. You will also see how to remain engaged in your children's lives as you nurture and challenge them towards maturity.

"MORE THAN PRAYER" - Jeanne Miller

Do you ever feel like your prayers just aren't what they could be, or should be? Join us as we explore how prayer is really more than just praying. We'll also look at what might be called the other side of prayer and hear about a different kind of prayer. Your prayers may never be the same.

"THE ART OF ENCOURAGEMENT IN A CARD"

- Brenda Lohse and Barbara Brinson

In this "hands on" workshop you will learn to create unique note cards by adding a few embellishments with a personal touch. Plus Sharon Rawlins will instruct on how to easily write that encouragement someone needs to hear from you. Bring a friend's address and a stamp to the workshop for "no excuse"—to get that note in the mail! \$1.00 will be collected for materials.

"BIBLE BASED BUDGETING" - Deb Evans

As women, we play a critical role in shaping our household finances. Knowing that God owns it all, it makes sense that He has a plan for how we spend it!! Come and see what the Bible says about managing our finances.

"HUMILITY, THE ENDANGERED VIRTUE" - Sandy Knox

The humble person lives differently than a proud one. Without humility we cannot come to God, love Him supremely, witness for Christ effectively or love and serve others. In this workshop we will be looking at ways to cultivate this endangered virtue while examining our lives to see how they measure up in the area of humility.

"PRACTICING HOSPITALITY - Romans 12:13"

- Mary Lou Cooper

Come explore practical ways to reach out to the "community" the Lord has placed you in...refreshing and "loving on" family, friends, neighbors, ministry partners, and even strangers.... you know...they could be angels! Lots of ideas and fun!

"FINDING JOY IN THE JOURNEY: IS LIFE MAKING

US BITTER OR BETTER?* - Brenda Lohse

In spite of the trials that come our way, God has a travel plan for us to find joy on the journey to our forever destination. Find encouragement from the Psalms to keep your feet firmly planted on the path God has chosen for you, no matter what.
